Glenveagh
Properties PLC

Head of Health & Safety

Job Summary:

Glenveagh Properties PLC, a leading Residential Building Company are currently recruiting an experienced Head of Health & Safety to join our rapidly expanding operations. The Head of Health & Safety is a new position within our growing Health & Safety department. In this role you will manage the entire Health and safety function of the Company.

Glenveagh Properties provides employees with an exciting, challenging and rewarding career in a dynamic and rapidly expanding Company. We work to make a team environment that will attract the best people and give them credible reasons to stay and grow their careers with us.

Key Responsibilities:

- Manage the Company's Health & Safety function in its entirety
- Partner with the Construction and Operational Senior Management team to ensure effective delivery of Safety solutions
- Manage, recruit and develop the Health and Safety team
- Develop, enhance and implement robust Health & Safety procedures ensuring statutory and environmental safety obligation
- Ensure and promote an incident free workplace

Key Requirements:

- Minimum 10 years' experience in Health & Safety on residential construction sites, 5 years in a managerial position
- A third level degree in Health & Safety or its equivalent
- Strong interpersonal skills and the ability to work effectively both individually and as part of a team.
- Full clean driving licence essential. Regular travel between sites required.
